REQUEST FOR INITIALED COPY OF

Sir:

Applicants respectfully request that the Examiner initial the items listed on page 2 of the *cover letter* of the Information Disclosure Statement (IDS) filed on November 13, 2008, and the items on the PTO-1449 form filed with the IDS on December 20, 2007, to reflect the Examiner's consideration of the references cited thereon, and return a copy of the initialed page(s) to Applicants.

Regarding the November 13, 2008 IDS, only the PTO-1449 form was initialed and a copy returned to Applicants. Applicants believe that the listing of references in the *cover letter* of the IDS (not the form PTO-1449) is fully compliant with the applicable rules, e.g., 37 C.F.R §§ 1.97 and 1.98. Those references were listed separately (not on

a form PTO-1449) because Applicants do *not* want those references to be printed on the front page of the patent which issues from this application, and said cover letter includes a request to that effect.

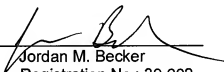

It is assumed that the Examiner has already considered all of these references. Nonetheless, Applicants would appreciate the Examiner's confirmation of such consideration by returning an initialed copy.

If any fee is due with this submission, the Commissioner is authorized to charge Deposit Account No. 50-2207 for any fees due in this matter.

Dated: October 26, 2009

Respectfully submitted,
